## All In-Sink-Erator® Disposers offer these exclusive Features:

### Dura-Drive® Induction Motor

These powerful heavy-duty motors are designed and manufactured by In-Sink-Erator to the same exacting specifications found in major appliances like washers and dryers. These motors help ensure high performance and long life.

### Quick-Lock® Sink Mount

Available only from In-Sink-Erator, the "Twist-On, Twist-Off" Quick-Lock sink mount makes installation fast and easy. Just "twist off" the old disposer and "twist on" a new one. And with Quick-Lock, you can replace any disposer.

### We Come To You™ In-Home Service Warranty

All In-Sink-Erator models provide In-Home Service warranties. This "We Come To You" warranty means we handle *your* service problems at *your* convenience in *your* home.

- 1-Year *We Come To You*™ In-Home Parts and Labor Service Warranty
- Rugged Galvanized Steel Construction
- Space-Saving Compact Design

## Why In-Sink-Erator® is the In-Demand Brand

What happens when you add quality, performance, and reliability to innovative product features, practical customer benefits, and an exclusive *We Come To You*™ in-home service warranty? You end up with an “In-Demand Brand”.

Extensive research with consumers and plumbing contractors recently confirmed that In-Sink-Erator® is the highest quality, most reliable, and most trusted brand in this category.

What’s more, In-Sink-Erator is the In-Demand Brand because we specialize in food waste disposers, we understand your customer’s needs, and we have more experience in this product category than anyone in the industry!

**In-Sink-Erator. The Choice of  
9 out of 10 professionals.**

# Genuine In-Sink-Erator® Parts & Accessories

## SinkTop Switch™

Add a touch of elegance to the kitchen with the easy-to-reach SinkTop Switch™, available only from In-Sink-Erator. A convenient alternative to a wall switch, the stylish SinkTop Switch™ is air-activated and easily mounts to the sink or counter top. It is perfect for island installations and works with any disposer.

## Custom Flanges and Stoppers

Add unique style to your kitchen with our popular designer colors including polished stainless steel, polished brass, white and almond. For use on all In-Sink-Erator® manufactured disposers.

## SilverSaver Stopper™

Versatile dual-position stopper lets water and small food particles "in" the disposer, but keeps silverware and other objects "out". Closes tightly for use as a conventional sink stopper. Complements most stainless steel sinks.

## Quick-Lock® Mount

"Twist-On, Twist-Off" design helps ensure fast and easy replacement of existing disposer mounts.

## Removable Sound Baffle

Specifically designed to muffle disposer noise while preventing water and food particles from splashing up. Installs in seconds with no tools and is easily removed for cleaning. Fits all In-Sink-Erator® manufactured disposers.

## Standard Mounting Gasket

Replacement sink gasket designed specifically for use on the following In-Sink-Erator® models: Badger® 1, Badger® 5, Badger® 5 Plus, 444®, Pro 333®, and Septic Disposer®.

## Deluxe Mounting Gasket

Replacement sink gasket designed specifically for use on the In-Sink-Erator® 777ss®, 555ss®, Pro 77® and Pro SS®.

## Dishwasher Connector Kit

A fast and easy way to connect a dishwasher drain to the disposer

## Flexible Discharge Tube

Provides a quick way of connecting disposer discharge to the drain line.

- Flexes and offsets up to 2".
- Retracts and extends 6" to 10".
- Forms tight right angles or slight angles to meet existing 1-1/2" drain plumbing.

## Power Cord Kit

Includes strain relief clamp, wire connectors and installation instructions.

## Jam-Buster™ Wrench

A quick, effective tool to help free simple jams.

## BioCharge® for Septic Disposer®

No competitive brand can claim enhanced digestion because only Septic Disposer injects BioCharge into the grind chamber every time the disposer is activated. BioCharge is a fresh, citrus-scented solution featuring natural microorganisms that help break down food waste.
