

Customers Want Quality In Everything. Including the Kitchen Sink.

For today's savvy home buyers, high-end finishes go way beyond cabinets and countertops. They recognize a top-notch food waste disposer as quickly as a high-quality range.

So, join the growing ranks of builders that are upgrading the most important room in the house with appliances from In-Sink-Erator – The leading brand of reliable food waste disposers and instant hot water dispensers.

Why In-Sink-Erator?

- 76% of U.S. disposer households are aware of the In-Sink-Erator brand name
- 67% of consumers trust this brand
- 43% are willing to pay more for it

Why the 777ss®? It chews up everything. Including the competition.

- With a 1 horsepower heavy duty motor, it has 30% more power than any other model
- Exclusive Auto Reverse Grind System™ prevents jams, extends product life and provides extra sanitation
- 7-year *We Come To You*™ in-home parts and labor warranty
- Sound reduction system
Insulated outer shell and secondary sound baffle ensure quiet operation
- In-Sink-Erator offers a complete line of high-end disposers under the In-Sink-Erator brand name

The SinkTop Switch.™ An island of convenience.

Add style and convenience with the SinkTop Switch. An alternative to the wall switch, it easily mounts to a sink or counter. And it's perfect for islands in today's modern kitchens.
