| Motor Protection            | Automatic Reset                               |
| Drain Connection            | 1-1/2" Anti-Vibration (Hose Clamp)            |
| Dishwasher Drain Connection | Yes                                           |

## Dimensions

\* Length of tailpipe from center line of disposer outlet to end of tailpipe. NOTE: Plumb waste line to prevent standing water in disposer motor housing.

## Job Specifications

Food waste is roughly 60-95% water. By using your disposal regularly, you can help divert food waste from landfills and reduce greenhouse gas emissions. Many wastewater treatment plants are capable of converting food waste processed by your garbage disposal into renewable energy and beneficial fertilizer. Make sustainability a family affair by using your disposal. After all, the smallest changes can make the biggest impact.

The **ONLY** manufacturer with disposers
